Instructions:

Follow the map inside to find each of the 16 marker posts in and around the park.

Each post has a metal plaque on top with a picture of a plant, animal, insect or habitat that you might see in and around Bute Park.

Once you get to the first plaque, match the picture in the box on the leaflet to the picture on the top of the plaque.

Place the leaflet over the plaque.

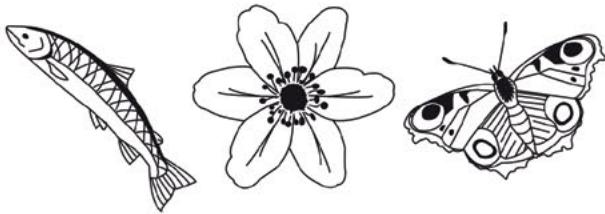

Hold the paper firmly in place, then using a coloured pencil or crayon, rub over the top.

Lift the paper off and see the picture revealed.

Read the fun facts about this picture.

Continue around the park to find all 16 plaques.

HAVE FUN!
